LICENSE RENEWAL CHANGE

CT Producer Licenses to Renew at End of Birth Month Instead of Birth Date

Effective December 20, 2017 Connecticut will move to birth month renewals instead of birth date. Licensees that currently have their birth date as their license expiration date on the Producer Database (PDB) will begin to reflect the last day of their birth month. Please see tables below for details.

Examples:

Connecticut Licensee	Birth Date	Old Expiration Date	New Expiration Date
John Doe	January 15, 1962	January 15, 2018	January 31, 2018
Jane Doe	February 2, 1979	February 2, 2018	February 28, 2018

Connecticut renewal applicants may submit renewals beginning 90 days prior to the last day of the expiry month. Continuing Education (CE) requirements must also be completed by the end of the birth month.

There is no grace period. This renewal expiration change applies only to producers.

Please contact NIPR Support at support@nipr.com with any questions or for additional information.
